

EVENT INFORMATION

Hello Soberstock fans!

The committee has met and decided in light of the current ongoing pandemic, to **postpone** Soberstock until our normally scheduled time in March which is now set for **March 19-21, 2021**. We deliberated and felt much of the appeal of Soberstock (SWED hall meetings, nightly gatherings, chow time!) were not going to be enjoyed in the traditional manner due to covid. This is not a decision we made lightly but want to keep everyone's personal safety as priority.

If you purchased tickets for 2020, **your tickets will automatically apply for the 2021 event**. We appreciate everyone's patience and understanding as we all try to navigate this situation. Be safe and we look forward to coming back together in 2021 and celebrating sobriety safely!

-Your Soberstock Committee
